

Dear ISWA participants,

Please see below the schedule times for the ISWA free shuttle service (Airport-Bus Station-Hotel).

We try to cover the majority of the participants. If your name is not in this list you should proceed to the hotel by yourself (suggested numbers for taxi/private driver are at the end of this file).

For those that are not in the list but will arrive at time to take the shuttle proceed to meeting point (you can take the shuttle if there will be seats available)

Kind regards and have a nice trip to Brazil,  
Sergio Piling (ISWA chairman)
